

My Access Center

The Department of Defense Self-Service Logon, or DS Logon, is a secure, self-service logon ID that allows service members, veterans or family members affiliated with the DoD or Veterans Affairs to access several DoD or VA websites using a single username and password. All DS Logon accounts are verified through the Defense Enrollment Eligibility Reporting System, or DEERS.

MySECO uses the DS Logon system to verify eligibility for SECO services and to ensure your personally identifiable information is secure.

Several other popular websites accept the DS Logon including eBenefits, TRICARE Online, milConnect, RAPIDS Self-Service, Transition GPS and more. Premium account holders also have the added benefit of viewing and updating personal DEERS data, applying for benefits online and checking the status of claims.
